BUILDING A
PHILANTHROPIC
CATHEDRAL
FOR YOUR SOUL

MORE AND MORE people are searching for a way to give that will make a difference in their lives as well as in the lives of those they seek to help.

THIS SEMINAR brings together individuals or couples in non-threatening settings where they can reflect on those things that have held meaning for them. In conversations with each other, participants can begin to chart their course and make plans that will greatly enhance their satisfaction in giving.

“Building a Philanthropic Cathedral for Your Soul encouraged me to reflect and identify my passions, to understand where they come from, and to experience the absolute joy that comes from transformational giving. My pocketbook feels like it has been baptized!”

JACKI LAMMERT, PARTICIPANT FROM HOUSTON
